Notification for Inviting Sealed Quotations

INVITATION FOR BIDS FOR DESIGN, SUPPLY, INSTALLATION, TESTING, COMMISSIONING AND MAINTENANCE OF GRID-CONNECTED SOLAR POWER SYSTEMS

1. Introduction

The Bank invites sealed tenders from eligible and experienced agencies/firms for the Design, Supply, Installation, Testing, Commissioning and Maintenance of Grid-Connected Rooftop Solar Power Systems at its Head Office and Branches.

The capacity of the solar power systems shall be determined based on the average electricity consumption of each office/branch, available rooftop area, and technical feasibility.

2. Scope of Work

The successful bidder shall undertake:

1. Survey of Head Office and Branch premises.
2. Assessment of electricity consumption and load requirements.
3. Design of suitable grid-connected rooftop solar power systems.
4. Supply of solar PV modules, inverters, mounting structures, cables, earthing systems, lightning arresters and other accessories.
5. Installation, testing and commissioning of the systems.
6. Liaison with DISCOM authorities for net-metering wherever applicable.
7. Training of Bank personnel for basic operation and monitoring.
8. Submission of operation manuals and warranty documents.
9. Comprehensive maintenance during the warranty period.

3. Locations

The solar power systems are proposed to be installed at:

- Head Office
- Branches identified by the Bank

A detailed list of locations along with average monthly electricity consumption shall be provided to the successful bidder.

4. Technical Requirements

1. Solar PV Modules shall be ALMM-approved and conform to MNRE specifications.
2. Inverters shall comply with applicable BIS/IEC standards.
3. Mounting structures shall be corrosion resistant and designed to withstand local wind loads.
4. The system shall be capable of remote monitoring and generation reporting.
5. Minimum performance warranty:
 - Solar Modules: 25 years
 - Inverters: 5 years or more
6. Comprehensive warranty and maintenance support shall be provided.

5. Eligibility Criteria

The bidder shall:

1. Be a registered firm/company engaged in solar power installations.
2. Have completed similar solar projects during the last five years.
3. Possess GST registration, PAN and other statutory registrations.
4. Have adequate technical manpower and service support infrastructure.
5. Submit audited financial statements for the last three financial years.

6. Bid Submission

- Company Profile
- Experience Details
- Technical Proposal
- Project Methodology
- Compliance Statement
- Warranty and Maintenance Plan

Submission Details

- Last Date for Submission 08.07.2026 (up to **5:00** PM)
- Quotation must be submitted in a sealed envelope superscribed:
- **Contact Details:** Development Section – 9963607778

7. Terms & Conditions

- Rates quoted must be inclusive of all taxes, transportation, and delivery charges.
- The organization reserves the right to accept or reject any or all quotations without assigning any reason.
- Incomplete or late quotations will not be considered.
- Delivery period should be clearly mentioned in the quotation.

Sealed quotations should be handed over directly to the address mentioned below :
